(b) whether Government are aware that Budhists from all over the world are shocked at this happening; and

(c) whether Government propose to shift the said factory to some other part of Bihar?

THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (SHRI RAO INDERJIT SINGH): (a) Yes, Sir. An ordnance factory is being set up in Nalanda District.

(b) There have been some representations on this issue. But the establishment of ordnance factory will not cause any damage to the protected archaeological sites in the area. Requisite clearance has also been taken from Archaeological Survey of India.

(c) No, Sir.

Construction of road link to Mt. Everest by China

2336. SHRI SANTOSH BAGRODIA: Will the Minister of DEFENCE be pleased to state:

(a) whether Government has taken cognizance of the proposed plan by China to create road link up to Mt. Everest;

(b) if so, the details thereof;

(c) whether Government has also taken into cognizance infrastructure and increased linkages being created on the Chinese side of the border that could be used for military purpose;

(d) what steps have been taken to improve the all weather connectivity and linkages on the Indian side; and

(e) what steps are being taken to create such linkages in the disturbed regions along the border?

THE MINISTER OF DEFENCE (SHRI A.K. ANTONY): (a) to (e) Xinhua (official Chinese news agency) reported on 19th June, 2007 that China would begin budding a "highway" on Mount Everest in Tibet Autonomous Region so as to ease the path of those bearing the Olympic torch. Construction of the road will kick off at Everest Base Camp. The project aims to turn a 108 km rough road linking Tingri County of Xigaze prefecture at the foot of the mountain to the Base Camp into a blacktop highway fenced by undulating guardrails. The Government keeps a constant watch on all developments having a bearing on India's security and takes all necessary measures to safeguard it. Infrastructure development is an ongoing process and the same is carried in a phased manner.
